

SANTA BARBARA HOTELS AND DISTANCES TO STUDIOS/MUSEUM

The Spanish colonial theme for this year's workshop has inspired us to move the workshop off the UCSB campus and into the heart of Old Santa Barbara. The Santa Barbara Historical Museum, the Mission, the Karpeles Manuscript Museum and the town historical district with a ballroom in the Parish Hall and the new dance studios of Dance Arts will be our campus. Please find below a choice of reasonably priced accommodations near the downtown area, in particular near the dance studio facilities and/or the Santa Barbara Historical Museum. As preferences will be different from student to student, we ask that students make their own reservations. Remember to ask for discounts if you are an AAA member or have found a coupon from the internet. The classes on Friday-Sunday will take place at Santa Barbara Dance Arts and the Santa Barbara Historical Museum. Classes on Monday and Tuesday will be held at Parish Hall. The lectures on Saturday and Sunday will take place at the Karpeles Manuscript Museum. Contact Marci Hall at marci.hall@outlook.com or 972-771-7279 with any questions or help with calculating distances. Let us know when and where you book your room once you have made your reservation.
